**ENTRANTS FROM THE 2017 FESTIVAL WILL BE SELECTED TO WORK WITH A
PROFESSIONAL ACTOR AND DIRECTOR**

Victoria graduated from Guildford School of Acting and went straight on to play Hermia in an open-air production of *A Midsummer Night's Dream*. After this she carried on her love of Shakespeare and performed in *Timon Of Athens*. After working on a number of children's shows, she started working on a new programme for Cbeebies. You can see Victoria on Cbeebies everyday (often more than once) as she dances and plays the bass guitar as Panzee in *ZingZillas!* Victoria has also worked as a puppeteer playing Toto in *The Wizard Of Oz* and went onto work as a puppeteer for CBBC's BAFTA nominated production *Strange Hill High*.

For ten years The Miller Centre Young Players has been directed by Victoria, where they perform full scale productions to large audiences. Victoria is very proud of her work with young people and is thrilled to have the opportunity to encourage the next generation of actors.
